DYNAREX ANNOUNCES KEY NEW HIRES

National Medical Products Brand Continues To Grow

ORANGEBURG, NY – Dynarex, a leading medical products brand and provider of disposable medical products, announces two notable new hires, demonstrating the importance the company places on adding to its already talented team. These new hires will be instrumental with marketing and sales areas supporting the company goals.

Melodi Pomeroy, Senior Vice President of Marketing, joins Dynarex and brings over 15 years of strategic, innovative and creative digital marketing experience. Pomeroy has a proven background of developing and implementing successful marketing campaigns to drive growth. She will be responsible for leading a strategic new marketing initiative to support the company's goal's and mission of "We Care Like Family." She joins the organization from H. Betti Industries, Inc., where she served as Senior Director of Marketing and previously held the positions of Vice President of Marketing and Director of Marketing during her tenure in the data industry. Pomeroy holds a Bachelor's Degree from the State University of New York at Purchase. She resides in Nyack, NY with her husband John and two children, Catherine and Madison.

Sal Maraio, International Sales Manager, comes to Dynarex with 20 years of experience in both sales and account management. Prior to joining Dynarex, Maraio worked for such Fortune 100 corporations as Bank of America and Wells Fargo. Utilizing his marketing and sales background, Maraio will help distributors grow their businesses and focus on solving their problems, which include competing against Internet-based supply companies. He achieves this through delivering impeccable service. He'll be responsible for International Sales focusing on the Caribbean. Born and raised in Brooklyn, NY, Maraio resides in Howell, NJ with his wife and two teenage sons.

"We are thrilled to welcome both Melodi and Sal to the Dynarex team. Their extensive experience and demonstrated successes will help the company achieve its goal of providing continued growth and expansion throughout the medical products industry,"

said Dynarex CEO Zalman Tenenbaum. “At Dynarex, we pride ourselves on caring like family and we know that these individuals will be committed to that mission.”
