

WE CARE LIKE FAMILY™

NEWS RELEASE

NEW MEDICAL PRODUCTS OFFER DISTRIBUTORS GREATER SALES OPPORTUNITIES

Dynarex adds EpiRite™ Syringe and XeroBurn™ Burn Gel

ORANGEBURG, NY – Dynarex, a leading medical products brand and provider of disposable medical supplies, is pleased to announce the launch two exciting new products for October 2018.

With high demand for Epinephrine syringes, Dynarex is now offering a 1mL Luer Slip syringe which is easy to use and convenient for users. This new EpiRite™ Syringe can be used in Epinephrine kits and has easy to ready markings for Pediatric and adults. Perfect for fast dosing in emergency situations. The syringe comes empty and is for single use only. [Read more](#)

- Item #6985 – EpiRite™ Syringe (1mL Luer Slip), 10/100/Cs

XeroBurn™ Burn Gel which is used to relieve the pain of all types of burns by cooling, soothing and moisturizing the burn. XeroBurn™ Burn Gel contains Lidocaine which works fast to reduce the pain in patients. Offered in a 3.5g Packet size with multiple carton configurations. Comes in a dispenser package for schools and in bulk for dispensing first aid cabinets, first aid stations and kit packers. XeroBurn™ Burn Gel is equivalent to other competitive products such as Burn Jel, Burn Free, Burn Aid Burn Gel and Cool Jel.* For more information [click here](#).

- Item #1290 – XeroBurn™ Burn Gel – 3.5 g Packet, 24/25/Cs
- Item #1291 – XeroBurn™ Burn Gel – 3.5 g Packet, 100/6/Cs
- Item #1292 – XeroBurn™ Burn Gel – 3.5 g Packet, 1728/Cs

“We continue to launch new products to help support our distributors medical product needs. Dynarex is further demonstrating our commitment to “we care like family” by supporting our distributors with boarder product lines and more profit opportunities.” says company CEO Zalman Tenenbaum. These new products help support our EMS, School markets as well as other healthcare providers.
