DYNAREX INTRODUCES NEW LINE OF HOSPITAL AND NURSING HOME ITEMS

Medical supply company continues to expand line of over 2,200 products

ORANGEBURG, NY – Dynarex, a leading medical supply company and provider of disposable medical products, announces additions to their hospital and nursing home product lines this fall. These new products are testament to Dynarex’s dedication to hospitals – from surgeons, nurses and even patients. New venturi masks, disposable scrubs, patient belonging and specimen bags, zip closure plastic bags with white write-on block, and foldable mats will aid hospital and nursing home practitioners to provide the best quality care and comfort to patients. The following includes a full list of new items for the hospital and nursing home market segments:

- **Venturi Mask** – this high-flow oxygen therapy device, also known as air entrainment masks, deliver known oxygen concentration to patients controlled oxygen therapy. The masks are available in adult and pediatric, come 50 to a case with 6 dilutors, 7’ oxygen tubing, including 24% blue, 28% Yellow, 31% White, 35% Green, 40% Pink and 50% Orange.
- **Disposable Scrubs** –the disposable scrub pants are available in sizes small – 2X-Large and come 30 in a case. Scrub pants feature drawstring and elastic waist and one rear pocket. The scrub shirts are also available in sizes small – 2X-Large, coming 30 in a case. The shirts feature one check pocket and a v-neck style.
- **Patient Belonging Bags** – These durable plastic bags come in white and clear. The drawstring closure allows for a secure hold on patient belongings. The bags range from 16”x18”x4” to 20”x20”x4” and are available in both clear and white.
- **Specimen Bags**—The two-pouch design to separate patient documents from specimen and 2mil thickness securely withstand transport and handling.
