- **Toothbrush and Toothbrush Holder** – In addition to our existing toothbrush that Dynarex currently offers, this new toothbrush that has softer, nylon bristles. The teal handle fits perfectly inside the toothbrush holder, which also fits a variety of other tooth brushes in its two-piece ivory tube.
- **Large Handle Comb and Hair Pick** – Both hair pieces are made with rounded tines to reduce irritation often cause by scratching. The large handle comb pick is perfect for thick hair, while the hair pick works for all hair types.

“These new product additions not only build our comprehensive personal care product portfolio, but have the ability to help make people’s lives easier, cleaner and healthier,” said Dynarex CEO Zalman Tenenbaum. “Our continual growth as a company is reflected in the over 2,200 products we now offer. Even with our expansion across 16 market segments, Dynarex prides ourselves on the individualized care we still provide to each segment.”
